## COMMUNITY SENIOR SERVICES

# 262-547-6719

**HELPMATES** offers the ultimate in convenience with services that are customized to meet the individual needs of each of our clients. We take pride in providing high quality care to Waukesha County Seniors.

Our caregivers are trained professionals thoroughly screened, bonded and insured. They are instructed to observe and report changing conditions in their clients. These changes are communicated to families so service can be amended or expanded as needed.

**HELPMATES** also assists the client and/or family in finding other resources in Waukesha County that would be of benefit to them.
